No. C07-1454RSL

ORDER REGARDING WITNESS LIST
FOR PLAINTIFFS' CASE-IN-CHIEF

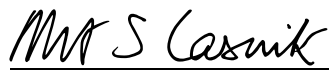

16 This matter comes before the Court sua sponte. The Court directs plaintiffs to
17 inform the court and defendants by noon on Friday, October 23, 2009 which witnesses (expert
18 and lay) will be testifying in plaintiffs' case-in-chief. The Court needs this information now to
19 make reasoned decisions about allocation of time. Likewise, when plaintiffs approach the end of
20 their presentation of evidence, the Court will require defendants to inform the Court and other
21 counsel which of their witnesses will be testifying.

22 In addition, the Court will not allow all of the deposition designations currently
23 designated to be read to the jury. They will take too long and be too confusing to the jury. The
24 plaintiffs and defendants will be given a designated block of time to read all depositions to the
25 jury, and the parties must decide which witnesses and/or which portions of witnesses' testimony

1 to cut in order to stay within that time limit. We will discuss what that designated block of time
2 will be on Monday.
